

PROGRAMME

First Day – 8 September 2016

TIME	LOCATION	TOPIC
9.00 a.m.	Plenary	<p>OPENING & WELCOME SPEECHES <i>Prof. Jürgen Kretschmann</i> Technische Hochschule Georg Agricola (State approved University of applied sciences for raw materials, energy and environment), Bochum, Germany <i>Gabriela Schäfer</i>, Mayor of the City of Bochum, Germany <i>Vadim Lenuck</i>, IG BCE (the Mining, Chemicals and Energy trade union), Hannover, Germany <i>Ulrich Meesmann</i>, President of ISSA Mining / Member of the Board of the German Social Accident Insurance Institution for the Raw Materials and Chemical Industry (BG RCI), Heidelberg, Germany</p>
	Plenary	<p>Keynote 1: The ISSA Vision: Promoting safety, health and well-being in a changing world of work <i>Hans-Horst Konkolewsky</i>, International Social Security Association (ISSA), Secretary General, Switzerland</p>
	Plenary	<p>Keynote 2: Safety and Health in Chinese Coal Mines – Achievements and Perspectives <i>Li Wanjiang</i>, Deputy Administrator, State Administration of Coalmine Safety, Peking, China</p>
	Foyer	COFFEE BREAK AND EXHIBITION
11.00 a.m.	Plenary	<p>Keynote 3: VISION ZERO & The 7 Golden Rules: The Global Prevention Strategy by ISSA for Mining and beyond <i>Helmut Ehnes</i> Secretary General, ISSA Mining, Germany</p>
	Plenary	<p>Keynote 4: Critical Control Management (CCM) – The next phase in managing industry operational risks <i>Prof. Jim Joy</i>, Jim Joy & Associates, Australia</p>
	Foyer	LUNCH BREAK AND EXHIBITION

1.15 p.m.	Parallel Sessions	SESSION 1 Health and Leadership (Plenary)	SESSION 2 Safety Culture (Room No. 110)	SESSION 3 National Strategies I (Room No. 119)	SESSION 4 Technological Innovations (Room No. 215)
	Foyer	COFFEE BREAK AND EXHIBITION			
4.00 p.m.	Parallel Sessions	SESSION 5 Incidents and Accidents (Plenary)	SESSION 6 Risk Assessment (Room No. 110)	SESSION 7 National Strategies II (Room No. 119)	SESSION 8 Small and Medium Mines (Room No. 215)

Second Day – 9 September 2016

TIME	LOCATION	TOPIC				
9.00 a.m.	Plenary	Reports from the Parallel Sessions from the First Conference Day				
	Plenary	Keynote 5: The Importance of Leadership in Achieving a Safe Work Environment on Site <i>Prof. Dr. Dirk Sohn</i> , Technische Hochschule Georg Agricola (State approved University of applied sciences for raw materials, energy and environment), Bochum, Germany				
	Foyer	TRANSFER BREAK				
10.00 a.m.	Parallel Sessions	<table border="1"> <tr> <td>SESSION 9 Leadership in OSH (Plenary)</td> <td>SESSION 10 Health in Mining (Room No. 110)</td> <td>SESSION 11 Safety Culture II (Room No. 119)</td> <td>SESSION 12 Risk Management (Room No. 215)</td> </tr> </table>	SESSION 9 Leadership in OSH (Plenary)	SESSION 10 Health in Mining (Room No. 110)	SESSION 11 Safety Culture II (Room No. 119)	SESSION 12 Risk Management (Room No. 215)
SESSION 9 Leadership in OSH (Plenary)	SESSION 10 Health in Mining (Room No. 110)	SESSION 11 Safety Culture II (Room No. 119)	SESSION 12 Risk Management (Room No. 215)			
	Foyer	COFFEE, SNACKS AND EXHIBITION				
12.30 p.m.	Plenary	Reports from the Parallel Sessions from the Second Conference Day				
	Plenary	Keynote 6: Singapore's Way to Vision Zero <i>Chan Yew Kwong</i> , Ministry of Manpower, Singapore				
	Plenary	ROUND TABLE: Future Steps to VISION ZERO?				

	Plenary	CONCLUSIONS AND CLOSING OF THE CONFERENCE <i>Prof. Jürgen Kretschmann, Technische Hochschule Georg Agricola (State approved University of applied sciences for raw materials, energy and environment), Bochum, Germany</i>
	Foyer	COFFEE AND TALKS

PARALLEL SESSIONS

LOCATION	SESSION 1 – WORKER’S HEALTH & LEADERSHIP
Plenary	IMPULSE: Leadership and Worker’s Health <i>Prof. Dr. Burkhard Schmidt, University for International Management, Germany</i>
	Workplace Health Promotion and Wellness Programme at Grupo Progreso <i>Sidey Castillo, Zamari López, Sidey Castillo, Roberto Hermosilla, Victor Roldán, Cementos Progreso S.A., Guatemala</i>
	Psychosocial Risks at the Workplace – An Increasing Challenge for Health Protection <i>Dr. Helmut Nold, , The German Social Accident Insurance Institution for the Raw Materials and Chemical Industry (BG RCI), Germany, Nicole Scheibner, EO Institut, Germany</i>
	Practical Tools to Make Managers Safety Leaders <i>Sergey Kharitich, Director, Health & Safety, EVRAZ, Russia</i>

LOCATION	SESSION 2 – TOWARDS VISION ZERO BY BUILDING A SAFETY CULTURE (I)
Room 110	IMPULSE: Behavior Based Safety (BBS) - Survey on Plant Level by Asking 14 Questions <i>Ludwig Berger, Braas Monier Building Group Services GmbH, Germany</i>
	Safety at Work: An Issue of Daily Management Behaviour <i>Dr. Markus Fülleemann, P&E Practice & Experience, Switzerland</i>
	Developing a Safety & Health Culture at Work in the Mining Sector of Mongolia <i>Bolortuya Ganbaatar, Occupational Health Research Center, Mongolia</i>
	Prevent Defeating of Safeguards on Machinery <i>Ralf Apfeld, The Institute for Occupational Safety and Health of the German Social Accident Insurance (IFA), Germany</i>

LOCATION	SESSION 3 – NATIONAL STRATEGIES AND TOOLS FOR VISION ZERO (I)
Room 119	<p>IMPULSE: VISION ZERO in Luxembourg <i>Annick Sunnen, AAA – Association d'Assurance Accident, Luxembourg</i></p>
	<p>The VISION ZERO Strategy of BG RCI <i>Matthias Stenzel, , The German Social Accident Insurance Institution for the Raw Materials and Chemical Industry (BG RCI), Germany</i></p>
	<p>Financial Support for the Improvement of OSH in the Quarrying Sector <i>Angelica Schneider-Graziosi, Italian Social Accident Insurance (INAIL), Italy</i></p>
	<p>Unity is strength: Synergy boosts mine safety – Designs, approaches and projects <i>Peter von Hartlieb, EnergyAgency.NRW, Germany</i></p>

LOCATION	SESSION 4 – TECHNOLOGICAL INNOVATIONS FOR VISION ZERO
Room 215	<p>IMPULSE: Historical Development of Dust Control Systems in International Heading Processes – Report on Technologies, Enhancements and Added Values <i>Dr. Reinhold Both, CFT GmbH Compact Filter Technic, Germany</i></p>
	<p>Simply a must: Striking down the dust! <i>Kai Süsselbeck, IGF-BG RCI, Mathias Kaul, University of Wuppertal, Dr. Jost-Peter Sonnenberg, , The German Social Accident Insurance Institution for the Raw Materials and Chemical Industry (BG RCI), Germany</i></p>
	<p>Protective Clothing & Underwear for Mine Rescuers: A Case Study on Thermoregulation <i>Magdalena Mlynarczyk and Anna Dabrowska, Central Institute for Labour Protection - National Research Institute (CIOP-PIB), Poland</i></p>

LOCATION	SESSION 5 – LEARNING FROM ACCIDENTS AND INCIDENTS
Plenary	IMPULS: Incident Analyses – A CCM Approach <i>Le Roux van den Berg, Struyweg Associates, South Africa</i>
	Accident Rate and its Trends in Polish Mining – State Mining Authority’s Actions in regard to Accident Prevention <i>Krzysztof Król, Wyższy Urząd Górniczy (State Mining Authority), Poland</i>
	New Findings from Reevaluation of 300 Fatalities in Germany <i>Dr. Ralf Faißner, The German Social Accident Insurance Institution for the Raw Materials and Chemical Industry (BG RCI), Germany</i>
	An analysis of work accidents in Italian stone quarries: a focus on risk reduction <i>Marco Di Basilio, Italian Social Accident Insurance (INAIL), Italy</i>

LOCATION	SESSION 6 – ASSESSMENT OF TRADITIONAL AND NEW RISKS
Room 110	IMPULSE: Occupational Risks: An Analysis of the Resilience of Processes in Quarries <i>Antonella Pireddu, Italian Social Accident Insurance (INAIL), Italy</i>
	Hazard assessment of mental stress: Effective and practical – by BASF <i>Dr. Thomas Hill, BASF SE, Germany</i>
	Workers Exposure against UV Radiation: Results of Measurements with GENESIS-UV <i>Dr. Marc Wittlich, The Institute for Occupational Safety and Health of the German Social Accident Insurance (IFA), Germany</i>

LOCATION	SESSION 7 – NATIONAL STRATEGIES AND TOOLS FOR VISION ZERO (II)
Room 119	IMPULSE: Accident Prevention in Poland by ZUS <i>Malgorzata Nietopiel, Social Insurance Institution (ZUS), Poland</i>
	VISION ZERO – Experiences from the Czech Republic <i>Ing. Vladimír Budinský, MBA, Dr. Renata Eisenvortová, Czech Association of Energy Sector Employers, Employers’ Association of Mining and Oil Industries, Czech Republic</i>
	Tools for VISION ZERO to come true <i>Dr. Sven Timm, German Social Accident Insurance (DGUV), Germany</i>

The VISION ZERO Strategy – A New Approach for Effective Prevention for Mining

Ali Mozafari, CRTOSH, IRAN

LOCATION	SESSION 8 – SOLUTIONS FOR SMALL AND MEDIUM MINES
Room 215	IMPULSE: Organizational Solutions for OSH in Mining and Related Activities: The Interinstitutional Network for SME's <i>Annalisa Guercio, Italian Social Accident Insurance (INAIL), Italy</i>
	On-line Risk Assessment System for SME's <i>Jung Sun Shik, KOSHA - Korean Occupational Safety & Health Agency, South-Korea</i>
	Curtains up! The brand-new OSH-Code of Practice for Mining and Processing of Minerals <i>Ulrich Kretschmer, The German Social Accident Insurance Institution for the Raw Materials and Chemical Industry (BG RCI), Germany</i>
	Considering the requirements of operational safety management in the planning of hard rock mines <i>Stefan Fuchs, Fuminco GmbH, Germany</i>
LOCATION	SESSION 9 – LEADERSHIP IN OSH
Plenary	IMPULSE: Heidelberg Cement's Approach to Zero Harm <i>Dr. Klaus Hormann, HeidelbergCement AG, Germany</i>
	VISION ZERO – RAG's way to zero accidents <i>Joachim Löchte, RAG AG, Germany</i>
	Responsible for Generations – Work Safety at DBE <i>Dr. Thomas Lautsch, DBE, Germany</i>
	Safety Culture and Leadership in a Medium-Sized German Company <i>Dr. Bettina Nickel, Johannes Nickel GmbH & Co. KG, Germany</i>
LOCATION	SESSION 10 – WORKER'S HEALTH IN MINING AND QUARRIES
Room 110	IMPULSE: Zero Silicosis around the world: Reflections <i>Dr. Javier Madera Garcia, National Silicosis Institute, Spain</i>
	Measures of Prevention in Mining and Quarrying to reduce Silica Exposure <i>Diego Rughi, Italian Social Accident Insurance (INAIL), Italy</i>

Transfer of Competences: Education of Measuring Engineers in Asia and in Europe

Michael Koob, IGF – The German Social Accident Insurance Institution for the Raw Materials and Chemical Industry (BG RCI) Germany

Mercury-free Goldmining in the Philippines

Erik Jørs, International Commission on Occupational Health (ICOH) / Clinic of Occupational Medicine, Denmark

LOCATION	SESSION 11 – TOWARDS VISION ZERO BY BUILDING A SAFETY CULTURE (II)
Room 119	IMPULSE: VISION ZERO in Routine Duties <i>Peter Roedel</i> , International OSH-Consultant, Germany
	Safety Culture Development – Integration of Contractors <i>Thorsten Sonsalla</i> , Lhoist Western Europe, Germany
	Tba <i>Luis Lodis</i> , OHS Corporate Manager at CODELCO, Chile
	Occupational Health and Safety philosophy at Grupo Progreso <i>Dr. Roberto Hermosilla</i> , OH&S Corporate Manager at GP, Guatemala

LOCATION	SESSION 12 – RISK MANAGEMENT IN MINING
Room 215	IMPULSE: Education for Safety in Mining and Risk Management <i>Prof. Piotr Czaja</i> , AGH - University of Science and Technology Kraków, Poland
	Practical experience in the implementation of VISION ZERO “Collegial employee protection” with the seven success factors of the BG RCI <i>Dr.-Ing. Ralf Wieder</i> , STEAG GmbH, Germany
	The Occupational Safety and Health Management System as a Tool for Risk Management <i>Dr. Konstantin Todradze</i> , Ministry of Labour of RF, Federation of Independent Trade Unions of RF, Russia
	Assessing and mitigating silica dust risk: the Ligurian slate district case <i>Paolo Clerici</i> , Italian Social Accident Insurance (INAIL), Italy
